**CLEAN-UP & CLEAN-OUT:** Saturday, July 10 is the next important (and needed!) planned work day to ready our parish for numerous important events coming up. Six major clean-up and clean-out projects are being planned, and all able-bodied parishioners will be contacted about their availability for participation. **There is much work to be done, and your help will make it possible to complete this needed work!**

**STRATEGIC PLANNING:** Having recently completed 25 years of parish life and history, it's time for us to begin looking forward to the future and the Lord's plans for us. To this end, the Church Health Team will soon begin a new strategic planning effort to look towards the future and our vision for it. More details will be forthcoming throughout the summer.

**JOY Summer Sleep-over / Bp. Michael Visit:** The annual JOY summer sleep-over is set for **Friday August 6 – Saturday, August 7**. Not only in attendance, but sleeping over with the children and teachers here at the church will be our own diocesan bishop, His Grace, Bishop Michael! The children will be enjoying games, crafts, an evening campfire in our church's "backyard" and much, much more.

**The Doldrums of Summer are Here!** While summer is fun and we all have plenty to do, don't forget the Lord! Sunday Divine Liturgy and Saturday evening Vespers will still be served through July (unless the schedule notes otherwise), and early August will, as usual, be busy with services and spiritual devotions, including the JOY sleep-over, during the **Dormition Fast**. *Please remember to be timely with your financial stewardship and support of the parish!*
